The crew is still in the process of establishing itself. They
have been ice skating, bowling but primarily they have been
working on the construction of a Venturer and Rover den at
the Scout hall. This is a mezzanine level above the storage
area. They have completed the floor, made some walls and
entry doors as well as welding up a ladder to mount to the
wall for access. We have done 2 sets of Squire investitures
on top of St Georges Hill on the Lake George Ridge. One
ceremony in the rain and wind and the other on a slightly
better night. Both nights proved hard to keep any candles
alight. At this stage the Crew has decided to adopt the 1st
Gundaroo scarf to show their close link to that Group, but
will continue with the name Tablelands, to attract potential
Rovers from around the district
The crew has planned to go camping at Adaminaby and
skiing at Mt Selwyn early next month. This will be done as a
combined event with the venturers with one venturer using
this weekend as a booting weekend and a linking ceremony
will take place with the Venturer invested as a squire at dusk
on the Saturday evening.

Motocross service weekends (*Peter*)

Would be good to have extras- currently have 10. Need members for July 21-22. If you can wear region shirts. Peter will contact people with further information.

Inter-crew issues (*Greg*)

Have had a complaint about Crews about bitchiness and backstabbing. "One big happy region". All Rovers, and Venturer's choice of crew shouldn't matter. Crew dynamics change very quickly. Only need one or two to change dynamics of crews.

Progressive dinner (*Simone*)

Not much to report. Will be a fun night.

Regional caving weekend (*Kusi*)

Rhiannon organising. Greg to contact those who can lead trips. A1 to be sent out to VLs after prices have been checked. Have fb event- need to be mentioning to crews to be sent out 1/term. Suggested that distance may be taken into account however not necessarily feasible. 'how to' document to be made up (Marshall)?

Venturer Liason letters (*Lewis*)

Budget attached at end of minutes. Additional discussion of service activity in combination with reducing camp fees. 17-19 January. Team to be helping- need to find the team. Lisa PR, Amy Catering. Need to provide team at next rrc.

Attention all South Coast and Tablelands Joey Mobs, Cub Packs, Scout Troops and Venturer Units: our Rovers need your help.

Every year, NSW State Rovers participate in the Hike for Hunger program, run by the Wesley Mission. This year, we are asking for your assistance.

South Coast and Tablelands Rovers collected 350 cans last year, which were then redistributed throughout the Illawarra to families in need. This year, we aim to beat that number, and are asking all Scouts, Cubs, Joeys and Venturers to bring in cans to regular section meetings.

Our Rovers will work with section leaders to find a suitable night for a member of our Region Rover Council to come and collect these, and given our motto of 'Service', would love to come and help out for the night.

If your group is willing to assist in our endeavours, our Region Rover Service Coordinator or our Region Rover Secretary can be contacted on the emails at the bottom of this page, and will organise with you a collection time and date.

Yours in Scouting,

Region Rover President,

Region Rover Secretary
