Past events and activities:

In line with the national squire training, Tablelands have completed navigation training and knot work. They have challenged 2nd Queanbeyan to a wide game challenge, and they have had a cocktail night and helped out at the Election Group BBQ fundraiser (cocktail night was the previous night to the election). We have invested 2 more ex Venturers as Squires at St Georges Hill, and while we were there got out the chainsaw and made some seats and a proper fireplace surround. Next time we will work on a ceremonial table.

Upcoming events and activities:

Upcoming events include squires organising different nights to challenge the crew, starting this week, with Shannon organising an activity in Canberra. The crew is looking forward to all of the Regional Rover Crews coming around to the Camp they are organising in December. Details of the RRC and Christmas Party: 13- 15th December, Stuart's crossing (Near Braidwood) Stuarts Crossing is located on the Stuarts Crossing Road between Mayfield and the Nerriga road near Braidwood. It is on the Shoalhaven River and is a free campsite with NO amenities (So you will need to bring a toilet with you), as this is on a very large beach on a bend in the river, bring swimmers, floaties, rubber duckies etc (lol). We will hope to get some Rover Investitures done at midnight on Friday night with RRC on Saturday Morning and the Christmas party on Saturday night (so bring your party supplies)
