Region Rover Council Report – April 2014

WWG South VI – “STAR WARS – A False Hope” is progressing well with base sheets well underway. Flyers are being distributed via email and in hard copy, and any assistance with advertising WWG South is much appreciated.

Lock in the date! 24th & 25th May @ Potato Point. We’d love to see some new Rover faces at WWG – It’s a great weekend and fairly laid back, perfect for new Rovers wishing to experience this camping thing.

The ‘Three Fat Fit Ladies’ have taken on the catering role this year for WWG South, due to Terry Jackson having other commitments. We’d like to thank Terry for all his assistance with catering in previous years, as well as any work in further years as well.

Cataract Radio Hire and Camp Fees have increased this year from \$2.50 and \$13 to \$3 and \$14 respectively. This shouldn’t affect us too majorly at this point in time, however camping fees have increased \$1 per year since 2012. We wish to make the RRC aware of this increase as it COULD be the reason for a price increase in the future.

We are also currently investigating our prize pool budget, and considering if this should be reduced due to the loss of Snowgum’s sponsorship. We are yet to find a company who would match Snowgum’s deal of providing goods to the equal value of vouchers we purchase.

We look forward to seeing as many Rovers at WWG South VI as possible!

Regards,

Ben Nichols
