Hello to you all

Once again I must congratulate the rovers on their input and efforts into the jamborette held at Moruya this year.

The system designed by aiden and ben has worked wonderfully for registrations and payments and reports.

All those who attended from the rovers have put in an outstanding effort and we on the committee applaud their work, I would like to name ben Nichols, peter Zuiderwyk and rosie. Simone even though she was there in her capacity as ASL, she was also a huge assistance to the team.

Ben potter was also a huge help in assisting with the activities.

Cecilia Jackson ran a screen printing base and though she is a rover from outside our region, she is certainly worth the mention.

I apologise for missing some names but please pass on our thanks to the rovers and look forward to future assistance.

Kindest Regards

Kerrie Latham

RRC October 2014 Report

Price Increase – WWG North Events (Previously Mentioned)

Due to an increase in venue fees, we have been required to increase our **fees for WWG North from \$25 to \$28 for Scouts and Venturers only**. Rovers and Leaders will remain at \$20 per person for this event. Due to this increase, and for purposes of easability, we have requested groups attempt to pay via Cheque or Direct Deposit only.

WWG North 2014 – 'STAR WARS – The Sith Unleashed'

The sequel of STAR WARS - 'A False Hope' is coming to Cataract Scout Park on the 22nd & 23rd of November! As you may already be aware, the theme for both events this year is "Star Wars", however, due to the Death Star plans being returned to the Empire at WWG South, there may be a higher Empire presence at Cataract.

We'll be asking Rovers to assist with various roles including from running bases, assisting at admin and being part of an elite death squad!

Forms and Information Packs are now available on the WWG Website – please remember to register your Crew on the SC&T EMS by **Friday 7th November 2014** – Catering will **not** be available after this time.

WWG has a draw for many Venturers in our Region – We recommend that Crew's take advantage of this opportunity to liaise with Venturer Units and show them what Rovering is about!

We look forward to seeing you at the event!
